# Make it Messy!

## Messy Church Training Day

### Saturday June 3, Parkville

**Make it Messy!** will assist those already engaged in Messy Church, churches contemplating beginning a Messy Church and people genuinely curious about the Messy Church phenomenon take the next step in their Messy journey.

Join with others from churches across the state for a day of active engagement, stimulating discussions, encouraging stories and helpful electives that will empower *your* ministry in *your* local context.

Across the day you will have the opportunity to connect with experienced Messy Church leaders and engage with...

- Messy Hospitality
- Exploring Messy Science
- Introducing Messy Church
- Messy Church for All Abilities
- Creative Music and Prayer ideas
- Messy Forum – Your questions answered
- Growing Disciples through Messy Church
- Messy Church and the Child Safe Standards
- Messy Church as intergenerational community

*I'm leaving today hopeful and energised after Make it Messy 2016!*

*It has been great to be introduced to resources and become more familiar with Messy Church.*

*Messy Church is definitely the way to go. There is a great need in our community to tap into a way of reaching unchurched families that they can be comfortable with.*
