PASTORAL LEADERSHIP

8 September 2017

Local communities of faith need effective *pastoral leadership*, in addition to active pastoral care. Explore *pastoral leadership* as caring oversight, discipline & courageous conversations. Enhance your skills for the careful discernment, shared decision making and ethical leadership that sits at the heart of the Uniting Church by registering for this mini-workshop *Living Leadership: Pastoral Leadership*.

Participation in this Synod-eve workshop will enable you to grow in your understanding of the nature and role of *pastoral leadership* in our inter-related councils, increase your capacity to provide effective *pastoral leadership* and reflect on the foundations for oversight and ethical leadership in the Uniting Church.

The workshop will conclude with enough time to get some dinner before the opening service of the Synod 2017 meeting from 7:30pm at St Michael's Uniting Church, Collins Street Melbourne.

This *Living Leadership* event is specifically offered for:

- Elders/Church Council members, chairpersons and secretaries, pastors and ministers;
