

Engage Together

Music in Intergenerational Worship

Wednesday 14 February

Come along to this evening of exploring, equipping and engaging around the use of music in the intergenerational context – with a particular emphasis on worship. For anyone involved in worship preparation and leadership – including ministers, pastors, music/band leaders and musicians – this training event is especially suitable for those from smaller to medium sized churches. Bring an instrument if you dare!

Facilitated by Beth Barnett from *Intergen* (formerly the VCCE), the evening will focus on the songs suggested in the Intergenerational Music Resources section of the [Engage Together – Intergenerational Worship Ideas for Lent resource](#).

In order to encourage participation as a team, the one low cost of \$20 covers as many people as you want to bring from your church/ congregation!

Hosted by North Ringwood Uniting Church, facilitated by *Intergen* and supported by the CTM.

29 College Cres, Parkville VIC 3052
