Based on the feedback received, the 2018 sessions will explore...

- Practical tips for Multi-age and Intergenerational worship
- Growing connections with children and their families
- Being missional, being intergenerational – developing your strategy

Irrespective of whether you participated previously or not, these events promise to provide encouragement, spark your enthusiasm and energise your local mission.

Facilitated by Chris Barnett from the Centre for Theology & Ministry, each day will include...

- Multiple engaging, participatory and practical sessions
- Opportunities to connect with, and learn from, others
- Great resources to explore and purchase
