

# AUSTRALIAN INTERGENERATIONAL ROUNDTABLE

Resource Paper #1 | What is the Roundtable?

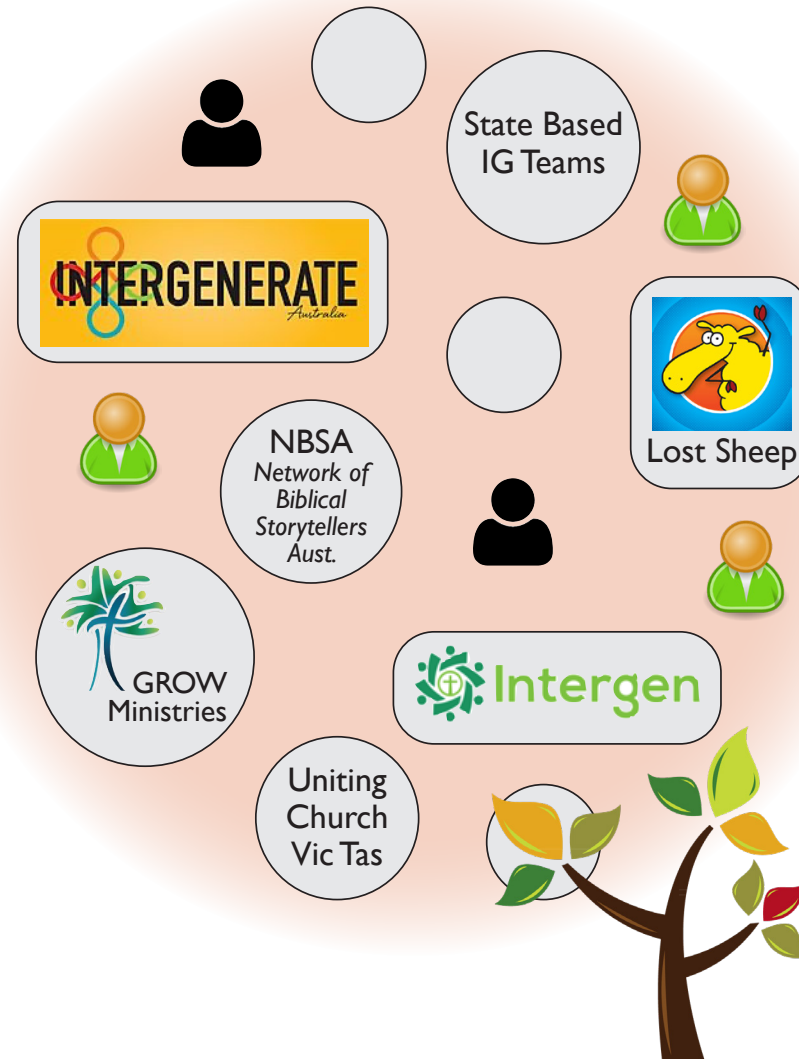

## Community of Communities networking together

### CELEBRATING

- ❖ Agencies, denominations, networks and individuals across Australia intentionally exploring, developing and influencing an intergenerational ministry paradigm.
- ❖ Collaborative communities reflecting on research, monitoring trends, thinking strategically, and sharing resources.
- ❖ Advocacy across the broad spectrum of the national Christian church and through relational partnering.

### GATHERING

- ❖ To bring together current thought leaders, writers, practitioners and strategic influencers.
- ❖ To bring a level of connectedness and community within the national intergenerational space.
- ❖ To focus on listening, reflection, discernment and identification of a shared strategy.
- ❖ To facilitate/champion the sustainable growth, development and support of intergenerational ministry across Australia.

### DOING

#### Stories & Resources

Creation, curation, collaboration and dissemination of stories and resources that can be shared

#### Thinking & Advocacy

Connecting with and influencing academia and church leadership

#### Training & Conferences

Convening and initiating conferences and training opportunities
