

Dear Friends,

As churches across the world continue to come to grips with the current context, many are still scrambling to find additional resources to meet the needs of their communities. Thus, I've made the call to put out this e-mail that is *extra* to the usual Monthly Update (hope you don't mind). In addition, *if* you would like to receive such *additional* Updates (no more frequent than fortnightly) over the next month or two, let me know and I will add you to a separate Distribution List.

Yours Faithfully,

Chris.
