

CENTRE FOR THEOLOGY & MINISTRY

Art Gallery Information

The arts are integral to the theological and educational endeavour of the Centre for Theology and Ministry (CTM). A dedicated and well-equipped art gallery runs the length of the corridor on the ground floor of the building. Our purpose is to display visual artworks that support learning, stimulate reflection and discussion, and complement Centre for Theology and Ministry programs and events which draw people from across the Synod of Victoria and Tasmania. Solo and group exhibitions by artists may be arranged where work is available for sale, and a commission paid to the Centre for Theology and Ministry. If you are an artist interested to exhibit in the Centre for Theology and Ministry, please contact Christina Rowntree, Artfull Faith Co-ordinator for more information and to discuss your proposal.

Gallery Hanging System

The CTM has a professional gallery hanging system of suspended nylon or wires and hooks. Each artwork requires two wires. We've found that artworks hang best using triangular fixing points on each side of the frame. It is possible to double equivalent sized works from the same wires. The system will support artworks weighing up to 10 kgs. Larger, heavier works may be hung on the brick walls of the gallery which have fixed masonry hooks. Hoop pine panelling around the lift well has picture hooks.

Lighting

The gallery lighting system provides focusable lights (4 x 4 strips) and gives good coverage of the gallery section. The other walls, including hoop pine walls and brick sections are less well lit.
