

THRIVING 29 AUG 15

Resilience and 40 Developmental Asset Training

This one day workshop is for people passionate about the holistic development of young people to thrive in today's world.

Leader in his field, Andrew Fuller will share up-to-date data and knowledge of Australian young people, through his Resilience Survey of over 17,000 students.

Experienced practitioners will also facilitate contextual conversations on how your community, school or faith congregation may enhance and develop young people's assets, resilience and capacity to thrive.

This is a perfect opportunity to be introduced to or deepen your understanding of positive youth development in Australia.

Key Input

Andrew Fuller

Andrew is a renowned clinical psychologist specialising in brains, learning and resilience. Andrew is the author of *Tricky Kids*, *Help Your Child Succeed at School*, *Work Smarter Not Harder* plus other resources and books.

Andrew has established programs for the promotion of

- mental health in schools
- substance abuse prevention
- reduction of violence and bullying
- suicide prevention and
- assisting homeless young people.

The Director of Resilient Youth Australia, Andrew works with many schools and communities in Australia and internationally, specialising in the wellbeing of young people and their families.
