STRATEGIC LEADERSHIP

20 MAY 2016

UNITING CHURCH IN AUSTRALIA

SYNOD OF VICTORIA AND TASMANIA

Living Leadership: Strategic Leadership is a one-day workshop that looks at strategic leadership in the local Uniting Church context, outlines a strategic process and develops tools and skills for exercising sustained strategic leadership within the Uniting Church. The Strategic Leadership day builds on the foundations and approaches presented in the Centre for Theology & Ministry's *Living Leadership* Core course.

Rev Rose Broadstock distils six years of learning and a Master's degree in Strategic Foresight into the most powerful strategic tools for Strategic Leadership - a particularly valuable day in our current context of continuous change.

Rose Broadstock and Rohan Pryor will facilitate this *Living Leadership* event to:

- Expand your skills in sustainable strategic leadership
- Explore strategic leadership in a culture of change
- Re-engage you in key thinking and approaches to leadership
- Identify helpful tools and processes for strategic leadership
- Renew friendships and support networks

Presented by the Centre for Theology & Ministry's *Living Leadership* team, this event will build on the breadth of the Core program to ensure you are best positioned to provide sustainable strategic leadership in times of change.

Giving local communities a model of how to create & sustain strategies for change

Positive, affirmative and engaging, *Living Leadership: Strategic Leadership* will empower you in your role as a leader within the Uniting Church.

We'd love to welcome you on 20 May as we continue our learning journey together. Book your spot today.

LIVING LEADERSHIP EVENT TYPES

The Living Leadership program comprises three distinct event types:

CORE – providing a foundation for on-going learning, CORE covers DiSC, teams & leadership styles; culture, context and conflict; strategic change; and much more. CORE offerings are usually provided in an intensive format for individuals and teams.

PLUS – building on the foundation provided through the CORE content, these specialised opportunities serve to extend, expand and further develop earlier learning experiences. PLUS events are open to those who have completed the CORE component.

FOCUS – addressing key issues around church governance and leadership in an inter-conciliar context, FOCUS offerings are designed especially for those who are part of Uniting Church congregational or regional leadership teams or councils.
