

Pathways to Union and Beyond

17 July 2017

One Day, Three Churches, One God

A fantastic opportunity to witness living history: one day, three sites, three traditions, one God.

Join this one day exploration of the faithful journey of three denominations towards union, and the formation of the Uniting Church in Australia.

Anyone interested in the Uniting Church and its history is invited to explore three city churches and discover what led to union through the voices of people who took part in the critical early years before and the formation of the Uniting Church.

Hosted by the Rev Dr Geoff Thompson and Rohan Pryor, the Centre for Theology and Ministry's annual Uniting Church Studies course is an intensive week-long program. On the first day of this year's event, we are excited to be opening the doors to three key churches in Melbourne's CBD, and to hear from some of the key people involved in helping to forge the Uniting Church in Australia.

This is a rare opportunity to hear Rev Graham McAnalley, Rev Dr Robert Johnson, Rev Dr Norman Young, and Rev Dr D'Arcy Wood, share their stories of the formation and ongoing commitments of what it means to be part of the Uniting Church. You will enjoy the experiences and insights of these significant Uniting Church leaders from the time of union as they explore the Uniting Church's emergence, and roots in Congregationalism, Methodism and Presbyterianism.

The beautiful city buildings still reverberate with the history of the times, and will enhance your understanding of where the Uniting Church comes from – theologically, practically and faithfully.

Includes lunch and refreshments.
